

Gamestate:

Objective: Reduce your opponent's to zero life (*assume that your opponent always chooses to trigger Agent Venom's ability in the hopes of maximizing their Gobby damage next turn).

You (Player A): 7 life

Team: Parasite: Human Atomic Furnace (you have one die on his card), Primaris Aggressor: Boltstorm Gauntlets, Common FUS Beholder: Lesser Aberration, Clayface: Treasure Hunter, Rare Jarnbjorn: Celestial Destroyer, The Outsider BAC.

Reserve: 2 fist sidekicks, 1 bolt sidekick, 1 outsider energy face, 1 outsider action face, 1 instant war action face, 1 beholder level 2, 1 parasite level 1

Bag: 3 sidekicks

Field: 2 Sidekicks, Clayface level 1

Opponent (Player B): 20 Life

Team: Shriek: Sonic Beam, SR Green Goblin: Gobby, Black Canary: Sonic Cry, Techno: Downloaded Consciousness, Giganta: Standing Tall, Doop: Uniquely Adapted, Agent Venom: Flash Thompson, Merlyn: League of Assassins, Instant War BAC, Magic Missile BAC

Reserve: 1 fist sidekick

Bag: 3 sidekicks

Field: 1 sidekick, Black Canary level 1, Agent Venom Level 3, Doop level 2, Shriek level 2 (naming clayface)

Used Pile: 1 sidekick

Prep Area: 2 sidekicks, 1 Green Goblin

Solution

- 1) Field parasite, name black canary
- 2) Buy Parasite (using a bolt and 2 generic energy) and name Clayface w/ Black canary's impulse ability (making him unblockable at level 1).
- 3) Play Instant War, each player draws and fields 3 sidekicks.
- 4) Play The Outsider, draw & field the new parasite on level 2, naming Doop.
- 5) Use 1 of your fists to spin up Parasite (w/ Doop's ability), to capture Shriek.
- 6) Use the Merlyn Global to turn a sidekick to a bolt
- 7) Play the Techno global on 3 of your fielded sidekicks.
- 8) Ping Agent Venom 3 times, opponent foolishly chooses to field 3 sidekicks
- 9) Field Beholder: 1st, play the Outsider global on Clayface, giving 5 attack. 2nd, play the Primaris Aggressor global, giving +11 attack, making him 16 attack.
- 10) Attack with Clayface, your opponent cannot block because of Black Canary
- 11) Use the Jarbjorn global to spin your last sidekick to a fist face.
- 12) Use the 2 fists in your Reserve pool to spin Clayface up twice, giving him exactly 20 attack. That's lethal.
